# VERTICAL ARRISING MACHINE WITH DIAMOND TOOL

## Model

## Key Features

- Diamond Tool Arising Head
- Stainless Steel Body
- Automatic Glass Dimension Measuring
- Automatic Glass Thickness Adjustment
- Waterproof Servo Motors
- 360 Degree Rotating Arising Head
- Stainless Steel Water Pumps
- Shape Glass Arising
- Touch Screen Control Panel
- Remote Technical Assistance

## Highlights

- Fully automated glass arising for flat and shaped glass
- Extremely fast glass arising head
- Easy integration to existing Billco or any other brand of insulated glass production lines
- Extremely robust structural design

## Billco Services

Billco provides the backbone for flat glass production lines, large and small, with high-quality equipment and 24 | 7 | 365 never-fail relationships. Our stability and expertise are backed by high customer satisfaction ratings, uptime statistics, impressive ROI, and a multi-million dollar inventory of ready-to-ship replacement parts. Our Solution Specialists, 24 | 7 | 365 Technical Support, and Replacement Parts Team are fully dedicated to keeping your line moving. Call or visit our website for more information.
